

The firm specializes in the areas of real estate and land use, representing both institutional clients and private individuals in all real estate related matters including zoning and general plan amendments, subdivisions and environmental processing. Our general real estate representation includes the negotiation and preparation of purchase and sale agreements, easement agreements, and partnership agreements. The firm also assists in the formation of other forms of business entities as required by our clients. The firm also consults on other matters including disclosure requirements for commercial and residential sellers and agents, construction defects and other areas in which disputes may arise.
